November Membership Spotlight

Tim Nugent, P.E.
Transportation Structures Manager
CDG Engineers

The Engineers' Club of St. Louis recognizes one member a month who has made a positive impact on the Club and its members. We would like to recognize Tim Nugent, P.E., as the September member spotlight.

Tim Nugent, PE, is a Structural Engineer, Senior Project Manager, Transportation Structures Group Manager and Principal with CDG Engineers where he has been employed since 2005. Tim has over 30 years of experience designing infrastructure including bridge rehabilitations and replacements for vehicular and pedestrian bridges, box culverts, retaining walls, parking structure repairs/rehabilitations, and a variety of other structures for various surface transportation improvement projects for public and private clients. Being a part of public improvement projects that enhance and improve the quality of our infrastructure and impact on daily life continues to provide a high level of motivation and job satisfaction for him. He holds a BS in Civil Engineering from Southern Illinois University - Edwardsville (SIU-E).

Tim is currently serving a two-year term on the Engineers' Club of St. Louis Board of Directors and has enjoyed the opportunity to become more involved in the club's operations. He has been a member of the Engineers Club since 1996, is an active participant in the bowling league and has also participated in the golf league. Involvement with the Club and getting to know many of its members over the years, both personally and professionally, remains one of the highlights of his professional life.

Tim is a member of ASCE, AISC and APWA and serves on the Plan Commission for Lebanon, IL where he resides with his fiancée' Cynthia and their four dogs – two Labs and two Shih Tzu. Their home, built in 1887, reflects Tim's appreciation for historic architecture, craftsmanship, and detail. That passion extends to his love of antiques which he has been collecting for over 25 years. Tim also enjoys traveling, cycling, walking the dogs, working in the yard, reading, and just hanging out with family and friends. Tim is an avid Blues and Cardinals fan and, until recently, shared Cardinals season tickets with friends for over 20 years.
